

## Ecologix EM series MAKE UP AIR unit

Works with boilers or heat pumps to provide make up air for residential and commercial buildings.

**MODEL: EM66**

### Physical Properties

Catalogue No.	Cabinet dimensions			Supply air	Return air filter size	Water inlet/ outlet	Weight	Electrical	
	w	d	h					Min Amps	Max Fuse
EM66	23"	25"	32"	20"x20"	20"x25"	3/4"	85 lb.	7.7	15

### PERFORMANCE Specifications

Catalogue No.	Boiler Input Required (Btu/hr.) for outdoor air inlet conditions				Airflow (cfm)
	@10°F	@0°F	@-10°F	@-30°F	
EM66	89,500	104,900	120,300	152,000	1400

Performance based on 50% propylene glycol at 160F water inlet temperature and 68F air supply temperature at air inlet conditions shown.
